The Center for Applied Strategic Learning is pleased to invite you to join us for a discussion with Dr. Philip Sabin, Professor of Strategic Studies in the Department of War Studies at King's College London, on 'The Continuing Merits of Manual Wargaming!'. The session will include a presentation by Dr. Sabin, followed by a discussion amongst the attendees. Dr. Sabin's lecture will build on his recently published book *Simulating War*, as well as his ongoing support of the UK defense community.

For those unable to attend the session at NDU, the event will be available via NDU's online streaming service. If you wish to attend virtually, please note that in your RSVP and we will contact you with further details.

**Directions:** The National Defense University is located on Ft. McNair in Southwest Washington D.C. Ft. McNair has two entrances. The one at 4<sup>th</sup> and P streets, SW is most convenient if you're walking from the Waterfront/SEU Metro station. The second is on 2<sup>nd</sup> Street SW, a block south of P. This is the entrance you should use if you are driving; the building directly in front of that entrance and parking lot is Lincoln Hall.
