Canadian Forces College

Lieutenant-Colonel Anthony Robb

## **Mission**

The Canadian Forces College prepares selected senior Canadian Armed Forces officers, international military, public service and private sector leaders, for joint command and staff appointments or future strategic responsibilities within a complex global security environment.

## **Vision**

The Canadian Forces College is Canada's centre of excellence for joint operational and national strategic levels of professional military education for selected senior leaders of the Canadian Armed Forces, the Department of National Defence and the Government of Canada.
